INFORMATION

Information about any of the Board's waterways and activities will be provided on request by the General Manager at Headquarters. In addition—

Commercial Carrying

Information about the carrying, warehousing, dock, etc., facilities available on the Board's waterways and also information about the charges payable by commercial carrying craft will be provided on request by the Commercial Officer, North (at the Leeds Office) and by the Commercial Officer, South (at the Gloucester Office).

Pleasure Craft

The Cruising Waterways and the Commercial Waterways, as well as parts of some of the Board's other waterways, are available for pleasure cruising. Parts of some "Narrow" waterways are navigable by craft of more than 7 ft. beam.

Information about the licences required by pleasure craft, and the charges payable, will be provided on request by the Pleasure Craft Licensing Officer (at Watford) or by any of the Area Offices.

Property Matters and Water Sales

Information about property matters and about the availability of water for industrial, etc., purposes will be provided on request by the North Regional Estate Officer (at Leeds), the S.W. Estate Officer (at Gloucester), the S.E. Estate Officer (at Watford), and the Water Development Officer (at Watford).
